

# Wā ko an COVID-19: Inepata im Naan ko ekut

## IJ INEPATA...

Wā eo enij letok COVID-19.

NAAN

### **Kwoban bok nañinmej in COVID-19 jān wā kein.**

Wā ko an COVID-19 ejjab bed virus eo ie im ej komman nañinmej in COVID-19.

## IJ INEPATA...

Wā ko rejjab kejbarok im rejjab jerbal.

NAAN

### **Wā ko an COVID-19 im rej kejbarok im eman an jerbal.**

Wā ko emoj teeji ibben taujin armij ro rar bok kwonaer ilo katak ko an wuno. Rekar tobare jonan katak ko relab an FDAikijen kejbarok, jejjet aer jerbal, im jonan kommani im ej aikuj nan jiban komelim ak aoleben kowebben eo nan kojerbal ilo idin ien jorraan. Emoj loe ke aoleb wā ko elab aer emmon nan kejbarok an armij jab nañinmij kin COVID-19.

## IJ INEPATA...

Johnson & Johnson wā ewor tissue in fetal ie.

NAAN

### **Johnson & Johnson wā eo ejjab wor part in fetus ak cell ko an fetus.**

Wā eo ekar komman ilo ejjab kein jerbal eo wot an wā ko jot. Juon ian men ko ilo wā eo ej komman ilo jikin-edrek ilo lab copy in cell ko rekar itok jen jot armij rekar jolok ningning ko lojeir elaplak jen 35 yiio emootlak. Jen ien eo, line koi lo cell ñan wā kein emoj likit wot ilo lab. Ejelok bar jikin fetal cell ko rej jerbal ñan komman wā. Emaroñ jot melele kāāl ñan jot armij. Botaab, wā ñan pox, rubella, im hepatitis A ej komman ilo ejja wawein in wot.

## IJ INEPATA...

Wā ko an COVID-19 rej komman bwe en bin an wor neju.

NAAN

### **Wā ko rejjab connect ippen organ ko rej jerbal ñan an maroñ wor nejim.**

Inepata ko am ikijen ejmour in wor nejim im wā eo elap ad melele kake. Enin ej ta eo jejella: ejelok kein kamol ilo science ke wā kein rej komman bwe en bin an wor nejim. Ilo an wā eo dreloñ e enbwinnim, ej jerbal ippen system in immune eo am ñan komman antibody ko ñan irre ippen coronavirus. Ejanin wor melele ke madmod in ej kakkure kobban ko an enbwin im remaron komman ninnin.

## IJ INEPATA...

Ijjab aikuj i wā eo ñe emoj ao bok nañinmej in COVID-19.

### **Kwoj aikuj in boke wot wā eo jokdron ñe emoj am bok nañinmej in COVID-19.**

Numba ko rej kwalok ke ejjab ekkut in an bar-boke COVID-19 ilo 90 raan elikin am kar infection. Melelein emaroñ wor jirik am kejbarok jen COVID-19 (etan natural immunity) ilo juon ien edrik. Botaab, jejjab jella ewi joñan an natural immunity nej bed.

## IJ INEPATA...

Wā eo ewor chip ie im remaroñ track armij.

### **Ilo wā eo ejelok chip ak kein lale kobed ia.**

Wā eo ewor wot juon ingredient ej jibañ enbwinim komman antibody ko ñan irre ippen COVID-19, koba ippen fat ko, salt ko, im sugar ko.

## IJ INEPATA...

COVID-19 wā ko rejjab eman ñan armij ro rej baroro ak rej kaninin.

### **Taktō ro ewōr aer kapeel kin bōroro im kōlōtak rej rōjañ an armij ro rebōroro, ro rej kaninin, ak ro rej bebe ñan aer bōroro jeklaj ren bōke wā eo.**

Melele ko rej kwalok ke wā ko an COVID-19 rej letōk kejbarok, im elukkun jejā an walok abnōnō ko rekauwōtata. Im bareinwōt, jet katak ko rej kwalok ke kirae eo emōj an bōke wā eo emaron lelok antibody ko rej bōbrae jen COVID-19 ñan ninnin eo nejin ilo ien an bōroro im kaninin Elablok joñan uwōta ñan nañinmij kauwōtata ñan COVID-19, im ekoba aer maron mij ñan ribōroro ro. Wā ko rej kejbarok eo emmontata.

## IJ INEPATA...

Wā in COVID-19 enij komman bwe en wor oktak ilo DNA eo ao.

### **Wā in COVID-19 ejjab komman oktak ak jelet DNA eo am.**

Aolep wā ko rej bellok rej kwalok wawein an cell ko ad jino ñan komman kejbarok jen virus eo ej komman COVID-19. Wā eo ejjab dreloñ ilo part in cell ilo ijo DNA ej bed ie. Ak ilo juon wawein, ej jerbak ibben enbwinim bwe en kammane uno ko rekajur.

## IJ INEPATA...

Emaroñ in kwoj botoktok ko ao elikin ao wā.

### **Kuawatata in an kwoj botoktok eo am elukkun driik.**

Ñan waanjoñak, joñan kauwōtata in wā in edriklok jen abbōj jen uno in bōbrae ñan ribororo, me milien kōra rej bōke aoleb ien otemjej. Bōtab, kiien eo an Washington State Department of Health (DOH, Ra eo an Ejmour ilo Washington) rej rōjañ bwe kwon bōk wā in mRNA eo an COVID-19 (Pfizer-BioNTech ñe jab Moderna) im jab bōke wā eo an Johnson & Johnson (J&J) kōn kauwōtata ko jen wā in.

Wā eo an J&J ej wōr wōt elañe kwojab maroñ ak kwojab kōnaan bōk wā in mRNA. Kōnono ibben juon taktō kōn kauwōtata in wā e ñan ejmour ñe am.
