**Re: 21-06 Approval Letter Full Facility Closure Bed Banking**

Dear Mr. Vislocky:

Thank you for your Nursing Home Full Facility Closure Bed Banking application requesting to bank 49 beds at Prestige Care & Rehabilitation - Burlington under Revised Code of Washington (RCW) 70.38.115(13)(b).

RCW 70.38.115(13)(b) requires bed banking requests to be received in the Certificate of Need Program office no later than 30 days following a facility's closure. Documentation provided by the Department of Social and Health Services confirms that Prestige Care & Rehabilitation - Burlington voluntarily ceased operation on April 19, 2021<sup>1</sup>. Your application to bank beds under full facility closure was received prior to May 19, 2021 and was deemed complete on May 28, 2021.

RCW 70.38.115(13)(b) allows the licensee or any other party who has secured an interest in the beds to bank the beds under full facility closure for eight years from the date of the original bed banking. The Department has confirmed that Care Center (Burlington) Inc. was the licensee at the time of full facility closure.

The eight-year bed banking of the 49 beds at Prestige Care & Rehabilitation - Burlington is effective on April 19, 2021, and will expire on April 20, 2029, or until a Certificate of Need is issued.

If you have any questions or would like to arrange for a meeting to discuss our decision, please contact the Certificate of Need Program at (360) 236-2955.

Sincerely,

  
Eric Hernandez, Program Manager  
Certificate of Need  
Community Health Systems
