

## Test Results

### Lead and Copper in Child Care Drinking Water

Below is information related to lead and copper sampling for your child care facility. Results are reported in parts per billion (ppb). For questions regarding testing and results, please email: [leadfreekids@doh.wa.gov](mailto:leadfreekids@doh.wa.gov). This page is updated quarterly.

\*Results are listed by name if the child care facility is applying for a new license or did not provide a license number, and by number if they have an existing license.
