RE: Certificate of Need Application #19-24

Dear Mr. Lai:

Enclosed is Certificate of Need #1774 issued to DaVita, Inc. approving the addition of one dialysis station to Bellevue Dialysis Center located in Bellevue, within King County planning area #7. The station is added under the special circumstance provisions of Washington Administrative Code 246-310-818.

The certificate is not an approval for any other local, federal, or state statutes, rules, or regulations. Such a project may also need Department of Health approval for a construction plan and facility licensing or certification, as well as other federal or local jurisdiction permits.

The Certificate of Need is valid for two years. The project must begin during this time. If there is substantial and continuing progress, we may extend the certificate for one six month period. For an extension, you must submit an extension request at least 120 days before the expiration. You cannot begin a project after the expiration date.

This decision may be appealed. The appeal options are listed below.

Appeal Option 1:

Any person with standing may request a public hearing to reconsider this decision. The request must state the specific reasons for reconsideration in accordance with Washington Administrative Code 246-310-560. A reconsideration request must be received within 28 calendar days from the date of the decision at one of the following addresses:

ISSUANCE OF THIS CERTIFICATE OF NEED IS BASED ON THE DEPARTMENT'S RECORD AND EVALUATION DATED MAY 14, 2019 (CN APP # 19-24)

Project Description

This certificate approves the addition of one dialysis station to the ten-station Bellevue Dialysis Center, for a facility total of eleven dialysis stations. Services provided at Bellevue Dialysis Center include in-center hemodialysis, home hemodialysis and home peritoneal dialysis training and support for dialysis patients, and shifts beginning after 5:00 pm.

Certificate of Need #1633 was issued to DaVita, Inc. approving the one-time addition of an isolation station to Bellevue Dialysis Center consistent with Washington Administrative Code 246-310-809(3). The certificate was effective on January 1, 2018.

The table below provides a breakdown of the total number of stations at Bellevue Dialysis Center, which includes one additional station approved under the special circumstance criterion outlined in Washington Administrative Code 246-310-818.

	CMS Certified Stations	Stations Counted in Methodology
General Use In-Center Stations	11	11
Permanent Bed Station	0	0
Private Isolation Station	1	0
Total Stations	12	11

As required under Washington Administrative Code 246-310-818(10), the additional station must be operational within six months of approval, otherwise this Certificate of Need is revoked.

Service Area

King County Planning Area #7

Conditions

1. Approval of the project description as stated above. DaVita, Inc. further agrees that any change to the project as described in the project description is a new project that requires a new Certificate of Need.
2. DaVita, Inc. shall finance this project consistent with the financing described in the application.

Approved Capital Expenditure

The approved capital expenditure for this two-station addition is \$20,571. This amount represents the costs for moveable equipment. All costs will be paid by DaVita.

This Certificate authorizes commencement of the project from May 17, 2019 to May 17, 2021 unless extended, withdrawn, suspended, or revoked in accordance with applicable sections of the Certificate of Need law and regulations.
